

PRIVACY POLICY

Tri-Tex Electric is aware of the need to address Internet privacy issues and we believe you should be aware of how we intend to treat any information about you that we might receive on the Internet as a result of your visit to the Site.

Information About Tri-Tex Electric's On-Line Visitors

You can visit Tri-Tex Electric on the Site without telling us who you are or revealing any information about yourself. Our web servers collect the domain names, not the e-mail addresses, of visitors. In general, we gather information about users of the Site collectively in order to determine, for example, which areas users access more frequently and which Materials users access the most. This information helps us to determine what is most beneficial for our users, and how we can continually create a better overall experience for our users by improving the content of the Site. There are times, however, when we may need information from you, such as your name and address. Customarily, the personal information Tri-Tex Electric obtains is used only to respond to inquiries, to process orders, product registration or to allow the user to access specific account information. We may also ask you to voluntarily provide us with information for market research such as your interests, demographics, and experience with our products.

Cookies

There is a technology called "cookies" which is an element of data that a website can send to your browser, which may then store on your system. We do not use cookies on our Site.

Web Site Links

Tri-Tex Electric's Site may contain links to other websites such as our clients and partners. While Tri-Tex Electric tries to link only to sites that share its high standards and respect for privacy, Tri-Tex Electric cannot take responsibility for the content on said sites nor does Tri-Tex Electric take responsibility for the privacy policies of those sites.

Changes

If at any time, Tri-Tex Electric changes its privacy commitment, Tri-Tex Electric will post those changes here so that you will know what information Tri-Tex Electric gathers and how Tri-Tex Electric might use that information.
